

JOIN US AT A COMMUNITY WORKSHOP!

You're invited to a free community workshop to learn about the long-awaited redevelopment of the Riverwalk Golf Course in Mission Valley.

Hines is now co-owner of the property with the family, who have been part of the Mission Valley community for over 100 years. Meet the new project owners and learn about their ideas to create a community asset and build homes, neighborhood-serving retail, and offices at the site, which will be served by a new trolley stop. The centerpiece of the project will be a 70-acre river park with significant restoration of natural habitat.

Your input is important to the future of Riverwalk. Residents of Mission Valley, Linda Vista and other nearby communities are invited to weigh in on amenities, designs and other features of the planned mixed-use development.

Tuesday, July 25, 2017

6:00pm - 8:00pm

Town & Country Resort (California Room)

500 Hotel Circle North

San Diego, CA 92018

(Enter from Fashion Valley Road)

Validated parking and refreshments will be provided. RSVPs to info@riverwalksd.com are encouraged, but not required.

A project website is coming soon, so you can stay in touch with all of the latest developments.
