Anniversary Celebration 2022

Time: 4PM – 7:30PM

Date: Saturday, September 17th

Where: 2350 – 2450 Camino del Rio N, Mission Valley

What is the program?

We will present the volunteer of the year and Founders Awards as well as have a few remarks. We try to keep the program short so you have more time to mingle, and of course, shop at the silent auction!

What should I wear?

We want people to be comfortable. Some people will be in casual cocktail and some more casual. Expect to see a range of clothing. Since this is a construction site there will be limited seating. We suggest comfortable shoes that you don't mind get a little dusty, especially if you want to take a look around. Most of the event will be on the paved parking lot.

Is the River Center at Grant Park completed?

Not yet. We will give an update on the project at the event. We are nearing completion of Phase 1 of the project.

Is this a kid-friendly event?

Kids are welcome. However, we won't have special activities planned for them as this is a reception-type event. Typically, there are around a dozen kids at this event.

Where do I park?

Our last email to everyone who registered contains detailed parking information. We will have signs and volunteers directing you to parking. You have the option of dropping passengers off at the site (drive in to bus turnaround). If you need further assistance call our office at 619-297-7380.

Are there alternatives to driving my vehicle?

Yes, we encourage it, too! The Rio Vista Trolley Station is nearby and so are bus stops along Camino del Rio N. Biking and or walking may be options for you as well.

I have never been to the Celebration, what is it like?

Imagine a big gathering of friends and family. The event is very casual and inviting. Plenty of staff will be on hand to welcome you. It is a chance to see friends, mingle and meet new people. There are beer, wine and non-alcohol beverages as well as live music to set a wonderful mood to celebrate together. Food is meant to go with the beverages and not meant to be dinner. We have several items including pizza (two types including cheese for kids(and adults)), delicious burritos (3 types), vegetable displays and other items. If you are concerned about allergies, please ask a server. Seating is limited. There are a few belly tables, too.
