

Grant Park: commemorative pavers

Be a part of history... help finish Phase 1 construction of the River Center at Grant Park!

An area along the entry path has been dedicated for installing a limited number of wonderful engraved concrete pavers.

This commemorative walkway will be completed as part of Phase 1 construction.

In the initial release, there is space for about 50 additional pavers to go along with the ones that have already been reserved.

Now is your chance to be part of this special opportunity. Secure your spot while the opportunity is available!

You can also recognize a loved one, group or business.
