

# Grant Park: commemorative rocks

Be a part of history... help create a new home for the Cool River Program and Grant Park!

Plans include a wonderful seating area as you arrive at Grant Park. This will be near the entrance to the stage and be a focal point for the project.

We are offering you a unique opportunity to have a personal engraved commemorate river rock inlaid into this feature.

Design is subject to revision.

**Your donation of \$500, \$1000 or more gives you not only a place in history, but makes an important gift to bringing the vision to reality.**
